

Budget and quality sound are united in the OVO3T. This cabinet speaker fits into any décor or interior style. OVO3T is for covered outdoor use only, and is available in white or black color. The speaker functions in 100V as well as in 16 Ohms low impedance. The included bracket allows flexible positioning, while the sturdy ABS plastic housing and rust free aluminum grill guarantee years of trouble free musical enjoyment. A table stand allows you to place the speaker on a shelf or desktop. OVO speakers can be used for covered outdoor use. The Quick-Fit cable clamps ensure quick and easy mounting, and the speakers can be painted in any RAL color from a minimum of 12 pieces (ref.: PAINTCAB6). Affordable, but by no means a compromise on sound quality –typically APart!
